

## **Y'ALL league - FAQs**

### **What is Y'ALL league?**

Young Adult Local League... A social tennis group for young adults ages 21 to 30ish. Play consists of warm up and fun tennis games for both full court and mini-court tennis. The fun continues after tennis as the group moves to another location to grab a cool beverage and enjoy some more social time! (This is not an official league or program where you play competitive matches against different players/teams).

### **Do you provide instruction?**

No, this is not a clinic or large group lesson.

### **What is the average level of each player?**

We are open to all levels but expect everyone to bring their own racquet and can play/rally with others.

### **How long is Y'ALL league?**

Each session will be 7 weeks with various session offerings throughout the year.

### **How do I register?**

You can register for each session through the registration link on GRETA's website. This registration is found on the Y'ALL league page.

### **Can I register for one week at a time??**

No, the relatively low-cost fee is for the entire 7-week session.

### **Can I register in the middle of a session?**

Yes, but you will still be required to pay the full \$30 registration fee and we cannot guarantee a league t-shirt will still be available.

### **If it rains, will there be any make-up time?**

Yes, since we are utilizing outdoor courts, we allot 2 weeks between each session as rain make-up dates.

### **Are there any discounts or refunds available if the session is cut short due to rain?**

No, we cannot control the weather and do our best by allowing time at the end of each session for making up any rained-out dates.

### **If I don't show up after the first week and change my mind, can I get a refund?**

No, we do not provide refunds once the session begins.
